Thank you for your membership and support of the Lake Buchanan/Inks Lake Chamber of Commerce. Please find your membership benefits below. If you would like to discuss new initiatives that would support your business, please contact us at the Chamber via phone at 512-793-2803 or via email at buchinksoffice@gmail.com. The Chamber is open Mondays through Saturdays from 9:30 AM to 4:30 PM. Please always feel free to stop by. We would love to see you.

All Members of the Chamber of Commerce receive:

- Collateral materials displayed in our Visitor Center.
- One category listing on Chamber website.
- Free Event(s) listings on the Chamber online Calendar of Events.
- One flyer listing per month via our online Local Events page.
- One Ribbon Cutting or Groundbreaking Ceremony or Anniversary Ceremony.
- Open invitation and access to all Chamber Mixers.
- Open invitation and access to Coffees with the Chambers.
- Social media reposting of your events.
- Business spotlight – One per year for each member business and/or non-profit.
- Newsletters, including ability to add your events and flyer to the newsletter.
- Opportunity to request a time slot to present or ask questions at our Chamber Board Meetings.
- First access and discounts to all Chamber ticketed and Chamber sponsored events.
- Ability to apply to represent the Chamber as Chamber Ambassador or serve on a Chamber Committee.
- Ability to apply to represent the Chamber and serve on our Board of Directors after one year of active membership.

Refer a Friend Today Program

If you join the Chamber and refer a friend as an individual member, or a business/non-profit, you will get 10% off next year's annual membership renewal or you may apply your discount to one of our Chamber ticketed events. All your referral needs to do is add your name and/or business to our online or paper Member Application Form and upon Board approval, you will receive your discount!

What the Chamber Does

Our Chamber's mission is to advance and promote the commercial, industrial and civic welfare of the Lake Buchanan/Inks Lake area and its trade territory. But what does that actually mean?

Enhanced Visibility

The Chamber provides more than networking. We offer the opportunity for our members to meet our Board of Directors, schedule one-on-one meetings with our Director and to meet others – individuals and businesses – in our community through our Chamber events, sponsored events and direct access to the Chamber Director and Board of Directors to discuss your organization's needs. As we move into 2026, we will provide more community focused events as well and invitations for you to present and represent your business and events to the community directly. We offer ongoing social media support and newsletters throughout the month. Starting August of 2025, we spotlight your organization from day one – from the moment we welcome you, to ongoing event and business services support as well as scheduled, specific business spotlights throughout the month, we want to be sure our members, followers, community and fans know about you and what your business/organization offers. If you have a business need or would like to schedule a business spotlight, you can always call or email the Chamber to schedule a meeting at your convenience.

Valuable Connections

The Chamber hosts specific events designed for networking and authentic connections including our monthly Chamber mixers, our monthly Coffee with the Chamber series, and our Annual Members Meeting and Dinner in January. During the year, we will also offer additional Chamber-sponsored events with opportunities for you to promote your business through sponsorship and advertisement by the Chamber. We recognize that not all organizations have the same needs so we offer one service of your choice – ribbon cutting, groundbreaking ceremonies or anniversary ceremonies – as part of your membership with additional services offered a la carte, as you need them and when you want to schedule them. We are here to ensure you and your business receive the community support and recognition you deserve and look forward to making connections with you and in support of you.

Advocacy and Support

The Lake Buchanan/Inks Lake Chamber of Commerce is uniquely positioned to engage and work directly with government at all levels, including Burnet County, the city of Burnet, the city of Bertram, the city of Marble Falls, the unincorporated municipality of Kingsland, the city of Llano and the county of Llano as well as represent the areas of Buchanan Dam, Bluffton, Tow, and the Buchanan Lake and Inks Lake areas, communities, individuals and businesses at a local, county, state and federal level as your Chamber of Commerce, facilitating local needs and asks as well as collaboration between our members and the relevant governing bodies.

Our Chamber acts as a communication and resource hub during community emergencies, most recently during the horrific floods in Burnet County in July of this year. Our Chamber also engages with its non-profit members by promoting, volunteering at and supporting their community initiatives and projects, boots on the ground. In 2026, we move into workforce and economic development and one-on-one active support of our local businesses to help ensure they grow and thrive. Also, in January 2026, the Chamber started recognizing and honoring impactful citizens, businesses and organizations during our Annual Members Meeting and Dinner. We want our community to support each other and drive the local, economic growth of our Chamber members through direct and shared marketing, networking, and cooperation. This meeting and dinner is an annual tradition that we are excited to continue.

Together, we will leverage our collective skills, strength and love of our Highland Lakes Area home to promote business and trades, foster valuable networking opportunities, advocate on legislative and economic issues that impact our community and provide the resources needed to thrive in today's dynamic marketplace.

The Lake Buchanan/Inks Lake Chamber of Commerce proudly represents you, the vibrant individuals and business community of the Lake Buchanan and Inks Lake regions and surrounding communities. We build on a legacy of service that began in 1958 and are forward-focused in our dedication to support you and ensure this community supports the locals who call this place home and our guests, those who love to visit us.
